Dear parents,

We would like to welcome back all students and parents to the new year! This year, the school has put up a new creative arts learning environment for students to learn and experience the arts culture. In the new creative arts learning environment, we have many exciting activities lined up for students take part in.

ACTIVITIES

Masterpieces Corner

Art pieces done by the students will be pinned up in this corner to allow students to view their own art pieces.

Termly parent-teacher meeting

Parent-teacher meetings will be held once every term for teachers to update parents about the activities the students are doing in school.

Creativity Corner

This is the corner where students can unleash their creativity and create their very own product or art piece! Recycled materials such as plastic bottles, toilet paper rolls and straws will be made available for the students to use. Art materials such as drawing paper, markers and crayons will also be labelled in different drawers.

Lessons

There will be interesting lessons planned for the students to unleash their creativity. Some activities that the students can enjoy are making of plasticine
